#### Article VII GENERAL PROVISIONS

This agreement supersedes any and all other agreements, oral or written, between Intern and Supervisor hereto with respect to the rendering of supervision of Intern by Supervisor. This document contains all of the covenants and agreements between Intern and Supervisor with respect to representations, inducements, promises or agreements, orally or otherwise, made by any party, or anyone acting on behalf of any party, which are not embodied herein, and that no other agreement, statement or promise not contained in the agreement shall be void or binding.

Any modification of this agreement will be effective only if in writing, signed by Interns and Supervisor, submitted to and approved by the Nevada State Board of Examiners for Social Workers. Such modifications must be in compliance with applicable Nevada Revised Statutes and Nevada Administrative Codes.

If any action at law or in equity, including an action for declaratory relief, is brought to enforce or interpret the provisions of this agreement, the prevailing party will be entitled to reasonable attorney's fees, which may be set for that purpose, in addition to any other relief that the party may be entitled.

Intern applicants are reminded that a Board approved internship is not a license to independently practice social work in Nevada. Interns must post, in a conspicuous place, the Board issued internship certificate which clearly identifies the applicant as an intern and the name of the intern supervisor. Pursuant to NAC 641B.240(2), an intern must use the title "Intern" in all communications with the Board and his or her respective clients.

The minimum length of an approved internship program is twenty-four months of practice; the internship program must be completed within thirty-six months from the original approval date unless otherwise approved by the Board. Extensions are granted for good cause only.

Supervisors and interns are required to meet for at least one hour every week. There are typically twenty-six (26) weeks in a reporting period.

Supervisor's Initials	Internship will address the following competencies, required for successful completion of the internship.
	Completion of clinical psychosocial assessments and determination of comprehensive diagnoses using current edition of DSM.
	Knowledge and utilization of mental status exams.
	Knowledge and use of various assessment tools to assess individuals, couples, families and groups.
	Development and implementation of treatment plans and measurable goals.
	Utilization of various clinical intervention approaches in the practice of psychotherapy.
	Engagement in psychotherapy with individuals, couples, families and groups.
	Review and document treatment outcomes in a timely way.
	Knowledge, coordination and use of community, county, state and federal resources.
	Knowledge of pharmacology and its impact on clients.
	Knowledge of substance and behavioral addictions and related clinical interventions
	Completion of evaluations for suicidal / homicidal ideation and use of related interventions (to include legal holds and duty to warn).
	Understanding of mandated reporting of child abuse, elder abuse, and abuse of vulnerable populations and related interventions
	Engagement with a wide range of clients and diagnoses.
	Understanding the parameters of client confidentiality and the legal / ethical ramifications pertaining to social work practice.
	Knowledge and implantation of ethical and cultural considerations in clinical practice.
	Utilization of supervision for a critical review of practice.
	Connecting social work goals, values and ethics to administrative responsibility to clients, agency and community.
	Intern engages in self-evaluation, to include awareness of and conscious use of self in practice.
	Understanding of safety considerations, managing crisis situations and risk management issues related to clients.
	Understanding of NRS 641B and NAC 641B as governing language about the practice of social work. Connecting NASW Code of Ethics to Nevada laws.
	Competence in the use of technology associated with practice and telehealth as a method of treatment.
	Understanding of agency operations, including funding sources, billing for services, payment for services and collections.
