Meeting/Hearing Minutes – May 15, 2024

State of Nevada

Board of Examiners for Social Workers

4600 Kietzke Lane, #O-264, Reno, NV 89502 (775) 688-2555

On May 15, 2024, the board meeting for the State of Nevada Board of Social Work Examiners was called to order by Dr. Esther **Langston** at 9:02 a.m. A roll call was taken. Board members in attendance: Esther Lanston, Michelle **Rubinstein Meadows**, Linda **Holland Browne** and Jamie **Vaughn**. Abby **Klimas** was not in attendance at this board meeting. Board staff in attendance were Vikki **Erickson** and Sandy **Lowery**. Guests in attendance were Nick **Vanderpoel** from Flynn Guidici Government Affairs, LLC, Keibi **Majia** from Public Affairs — The Ferrato Co. Harry **Ward** was present as the Deputy Attorney General.

Langston moved to Agenda Item 2. Public Comment. **Erickson** announced that the Zoom Meeting ID is 97161150370 with a passcode of 386135. **Erickson** indicated that there was no email with any public comment, nobody in the office to provide public comment and nobody on the telephone with public comment.

Langston moved to Agenda Item 3A. Review and Discuss April 17, 2024 Meeting and Hearing Minutes (For Possible Action). Holland Browne made a motion to accept the April 17, 2024 Meeting and Hearing minutes as read since she was not at the meeting. Rubinstein Meadows seconded the motion. There was unanimous approval of the April 17, 2024 meeting minutes. Langston moved to Agenda Item 3B. Board Review of Hearing for Oceana Hill, G23-04, License No. 9345-M (For Possible Action). Ward states that we have been in contact with Ms. Hill and she signed the voluntary surrender and had an interest in appearing remotely. Ward inquired if the board was interested in postponing the vote on the voluntary surrender agreement until the next board meeting which would be in August 2024. Lowery recommended that perhaps we could move the agenda item down the list of the agenda in the event she shows up. Langston agrees to move the agenda item further into the meeting. Ward states that if the waiver is signed, we could easily do that. Holland Browne inquired if Ms. Hill was still practicing. Lowery states she is an LMSW, but not a practicing clinician. Holland Browne states, in her opinion, that since the papers are signed, that the voluntary surrender needs to happen in this meeting. **Erickson** states that if Ms. **Hill** shows up in the office, calls in, or comes into the Zoom meeting, we will include her in the meeting. Langston states that Item 3B will be moved to further in the meeting in case Ms. Hill appears.

Langston move to Agenda Item 3C. Board Review of Hearing for Virgilio DeSio, License No. 6200-C (For Possible Action). **Ward** states he has emailed both Mr. DeSio and his attorney. His attorney has indicated that Mr. DeSio is interested in signing a consent decree, but currently the problem is getting a hold of the attorney. **Ward** gave a little background to the consent decree which started with a failure to report an arrest. **Ward** requests that this be continued to the next meeting agenda while continuing to attempt contact with DeSio's attorney.

Langston moves to Agenda Item 3D. NAC Change Update (For Possible Action). **Lowery** states that the final information was provided to the LCB and we are waiting for notification of a

legislative commission meeting to review the NAC changes. No vote was taken on this agenda item.

Langston moved to Agenda Item 3E. Interstate Compact (For Discussion). The lobbyist had not yet joined the Zoom call, so this agenda item was moved later in the meeting.

Langston moved to Agenda Item 3F. Preliminary Budget (For Possible Action). presented the preliminary budget for the board to review. Lowery indicates that she projected the budget with a 7% increase in income. She states after the April finances were calculated that the board is at 99% of the income for the fiscal year, which was initially thought to be 83%, but we are 16% over income expectations and we still have 2 months to go. **Erickson** states that while calculating the budget, she would like to consider changing Chelsea's position from administrative assistant to licensing specialist since she completes the position requirements of that position. Erickson states she reviewed the position specs from the Board of Nursing and the Medical Board for the position of licensing specialist, and it is within our budget to be able to move Chelsea to this position and into a new income range. Lowery states this is going to work with the upcoming budget starting July 1, 2024. Lowery discussed that the cost of the auditor will be increasing, as well as moving forward with working the lobbyist which will be necessary due to the upcoming legislative session. Lowery discussed that the labor costs have decreased some and our operating costs have increased due to a slightly more expensive rent expense. She also indicated we would be picking up some software. Lowery indicates we are in good shape with the budget, and this will be discussed further in the August meeting. Lowery discussed that the salaries will be looking different after Caroline retires at the end of the year. Lowery discussed that she is the legal secretary at the board office. Rubinstein Meadows inquired if a replacement for that position would require another legal secretary or a paralegal. Erickson states this may not be the case, but the work tasks would be evaluated to determine the need. Langston asked for a motion to approve the budget. Holland Browne makes a motion to approve the budget. Vaughn seconds the motion. Unanimous approval of the budget. Langston thanked board staff for the detailed budget description and keeping us fiscally sound.

Langston moved to Agenda Item 3G. Discussion of BESW Office Relocation (For Possible Action). **Erickson** states that the board office has successfully relocated and thanked Sandy **Lowery** for orchestrating the move to include the moving company, IT, phones, and the printer. **Holland Browne** states she walked through the office and said "it is phenomenally better for everyone involved". "It's really a smart move". **Langston** thanked the board task for successfully moving the board office.

Langston moved back to Agenda Item 3E. Interstate Compact (For Discussion) because Nick **Vanderpoel**, the lobbyist, joined the Zoom meeting. **Vanderpoel** indicated he was in another board meeting before joining this Zoom meeting. **Vanderpoel** states he is working with the Nevada Rural Behavioral Board for a BDR to include the Social Work Interstate Compact. **Vanderpoel** also indicated that he continues to work with the Council of State Governments for the compact as well. **Rubinstein Meadows** inquired if there was language drafted yet for the Bill Draft Request. **Vanderpoel** states that the language for the interstate compact has to be exactly the same in every state and will be worked on when the Social Work Interstate Compact Commission comes together. He says this will be good timing for the legislative session.

Langston moved to Agenda Item 3H. ASWB Education Meeting. (For Discussion). **Erickson** discussed her attendance at the ASWB Education Meeting in Virginia the week prior and attending the Administrator's Forum. She states that there was a lot of discussion around the interstate compact and how each state was moving forward with that, as well as licensing exams throughout the states. She expressed that it was very helpful to connect with other administrators, especially administrators from composite boards since they are managed differently.

Langston moved to Agenda Item 3I. Executive Director's Report (Informational). **Erickson** invited board members to submit agenda items to her if they have an item they would like to put on the agenda. She also reminded the board members that they had discussed meeting in person in September. She mentioned Wednesday September 18, 2024. **Erickson** states this arrangement will be made and we'll make a plan for the board members in Las Vegas to fly to Reno.

Langston moved back to Agenda Item 3B. Board Review of Hearing for Oceana **Hill**, G23-04, License No. 9345M (For Possible Action). Deputy Attorney General Harry **Ward** states that the licensee has submitted a voluntary surrender and at this time, the board will review it and in an open meeting vote to either accept it or to deny it. He states that in the event that the board decides they're not going to accept it by a majority then the motion to accept it will not pass. If it does not pass then he will have to go back to the licensee and renegotiate the voluntary surrender and asked if there were any questions. **Langston** asked for a motion to approve the voluntary surrender agreement. **Holland Browne** made the motion to approve the voluntary surrender agreement. **Rubinstein Meadows** seconds the motion. Unanimous approval to accept the voluntary surrender agreement.

Langston moved to Agenda Item 4. Public Comment. **Erickson** states that there is nobody in the office, no emails and nobody on the phone. There is nobody else on the Zoom Call, but the meeting code is 97161150370 with a passcode of 386135 if somebody wanted to join the Zoom Call.

Langston adjourned the meeting at 9:59 a.m.

WORK SESSION DOCUMENT JOINT INTERIM STANDING COMMITTEE ON HEALTH AND HUMAN SERVICES

Nevada Revised Statutes (NRS) 218E.320

August 12, 2024

INTRODUCTION

The Chair and Legislative Counsel Bureau (LCB) staff of the Joint Interim Standing Committee (JISC) on Health and Human Services (HHS) prepared this "Work Session Document" (WSD) to assist the Committee in determining which legislative measures it may request for the 2025 Session of the Nevada Legislature, as well as other actions the Committee may endorse. The WSD contains a summary of recommendations presented during public hearings, through communication with individual Committee members, or through correspondence submitted to the Committee members or staff.

The members of the Committee do not necessarily support or oppose the recommendations in this WSD. Committee staff compiled and organized the proposals so that Committee members may review them and decide whether they want to accept, reject, modify, or take no action on the recommendations. The WSD groups the proposals by topic, and they are not preferentially ordered.

Pursuant to NRS <u>218D.160</u>, the Committee is limited to 15 legislative measures or bill draft requests (BDRs) that relate to matters within the scope of the Committee, at least 5 of which must relate to matters relating to child welfare. The Committee may choose to recommend any of the following actions: (1) draft legislation to amend NRS; (2) draft a letter; or (3) include a policy statement in the Committee's final report. It should also be noted that any potential recommendations listed may or may not have a fiscal impact. Any potential fiscal impacts have not been determined by staff at this time.

Committee members are advised that LCB staff, at the direction of the Chair, may coordinate with interested parties to obtain additional information for drafting purposes or for information to be included in the Committee's final report.

8. SOCIAL WORK APPRENTICES

NV Board of Examiners for Social Workers

Request the drafting of a legislative measure (BDR) to:

- a. Require the Board of Examiners for Social Workers to promulgate regulations authorizing a social work student to perform social work functions as a social work apprentice. The regulations³ shall include, without limitation, the following conditions:
 - The social work student must be enrolled as a student in a social work program to pursue a baccalaureate degree or master's degree in social work from a college or university accredited by the Council on Social Work Education, or its successor organization, or which is a candidate for such accreditation;
 - ii. The social work student is employed at an apprenticeship site or facility as approved by the Board. An apprenticeship site or facility may include, without limitation: (1) medical facilities; (2) State or local agencies; (3) public schools; (4) any other site as defined by the Board;
 - iii. The social work student is supervised by a licensed social worker, licensed master social worker, licensed independent social workers, or licensed clinical social worker or any other licensed behavioral health or health care professional as determined by the Board and depending on the social work program the social work student is enrolled in;
 - iv. The social work student presents to his or her employer satisfactory evidence from his or her school of social work the successful demonstration of his or her skills;
 - v. The Board must approve a list of tasks a social work student may perform at an approved apprenticeship site. The tasks' difficulties and complexities may increase on a social work student's progress in a social work program for a baccalaureate or master's degree;
 - vi. The apprenticeship site must: (1) evaluate a social work student as safe to perform those tasks; (2) identify the roles and responsibilities of the apprentice position of a social work student; (3) identify the tasks delegated to the social work student acting as a social work apprentice; (4) establish a formal procedure for the social work student to refuse to perform any task until he or she is comfortable with his or her ability to do so safely; and (5) require the social work student, acting as a social work apprentice, to identify himself or herself as such with clients of the apprenticeship site; and
 - vii. The social work student must demonstrate acquired skills to his or her employer and only perform tasks approved by the Board. Social work apprentices must adhere to the laws and regulations set forth for social workers in Chapter 641B ("Social Workers") of NRS and Nevada Administrative Code (NAC).

10

³ The State Board of Nursing adopted <u>NAC 632.252</u> (see also <u>R018-22</u>) to allow nursing students to be employed as apprentice nurses at certain medical facilities. The recommendation on social work apprentices is using these nursing regulations as a model.

- b. Establish the Social Work Apprentice program in DHHS. The Department shall oversee the program and may:
 - i. Contract with any third party to administer the program and reimburse the third party for its services;
 - ii. Set up a process for facilities and sites approved by the Board to enroll in the program;
 - iii. Determine the amount of reimbursement of each social work apprentice's salary at an hourly rate that the facility may receive. The hourly rate shall progressively increase for social work apprentices enrolled as students in a baccalaureate degree or master's degree in social work;
 - iv. Determine the amount of reimbursement of a health care professional approved by the Board to supervise the social work apprentice;
 - v. Determine the amount of a retention or sign-on bonus—to the extent of available funding—for a facility or site who employs a social work apprentice upon successful graduation and licensure of the social work apprentice; and
 - vi. Determine the parameters to reimburse a social work apprentice for travel, per diem meals, and lodging to work at a remote-employing facility or site.
- c. Make an appropriation totaling \$2,000,000 from the State General Fund to DHHS over the 2025–2027 Biennium to establish the Social Work Apprentice program and any other administrative activities related to the program.

Recommendation proposed by Senator Robin Titus, Member, JISC HHS.

9. HEALTH CARE WORKFORCE

Part of the following recommendation on health care workforce is based on <u>Senate Bill 26</u> of the Utah Legislature, which passed during its 2024 Legislative Session. Among other provisions, the bill established the Behavioral Health Board (see also *Utah Code* Section <u>58-60-102.5</u>), a multi-professional board to replace certain individual licensing boards of various behavioral health professions. The Board is comprised of at least six licensed behavioral health providers, two other licensed providers, and four members of the public. The Board's responsibilities and powers include overseeing behavioral health licensees and recommending statutory changes to support workforce adequacy, public safety, and revisions to burdensome regulations, among others.

Senate Bill 26 also established three advisory committees—Qualifications and Professional Development, Background and Investigations, and Probation and Compliance—to advise the Board on licensure, professional development, criteria for license applicants with criminal backgrounds, and probation compliance. Additionally, the measure authorizes Utah's Division of Integrated Healthcare, Utah Department of Health and Human Services—in consultation with the Behavioral Health Board—to establish standing or ad hoc subcommittees to address various aspects of licensing such as client or patient access to qualified licensees; education, examination, and supervision of applicants for licensure; continuing education requirements; et cetera. Finally, the bill made multiple other changes to behavioral health licensing.

Request the drafting of a legislative measure (BDR) to:

- a. Establish the State Office of Health Care Workforce and Licensing within DPBH;
- Move to the State Office of Health Care Workforce and Licensing from the Office of Science, Innovation and Technology, Office of the Governor, all funding, power, and responsibilities pertaining to the Graduate Medical Education Grant Program and the Advisory Council on Graduate Medical Education established in <u>Chapter 223</u> ("Governor") of NRS;
- c. Create under the State Office of Health Care Workforce and Licensing a Behavioral Health Board and advisory committees modeled after *Utah Code Section* 58-60-102.5 and consolidate under the Behavioral Health Board the following boards established in:
 - i. Chapter 641 ("Psychologists") of NRS;
 - ii. Chapter 641A ("Marriage and Family Therapists and Clinical Professional Counselors") of NRS;
 - iii. Chapter 641B ("Social Workers") of NRS;
 - iv. Chapter 641C ("Alcohol, Drug and Gambling Counselors") of NRS; and
 - v. Chapter 641D ("Applied Behavior Analysis") of NRS.
- d. Require the Behavioral Health Board to assume responsibility for administration of licensure, investigations, and complaint resolution for all behavioral health professionals currently licensed in Chapters 641, 641A, 641B, 641C, and 641D of NRS;
- e. Redirect board fees and funds generated through licensure and other funding streams from boards established pursuant to Chapters 641, 641A, 641B, 641C and 641D of NRS to the Behavioral Health Board to support the activities of licensure administration, investigation, and regulatory oversight for behavioral health professionals;
- f. Require the Behavioral Health Board to make necessary regulatory changes to existing regulations in Chapters 641, 641A, 641B, 641C, and 641D of NAC, and develop new regulations to comply with these legislative changes;
- g. Establish that any laws and regulations pertaining to disciplinary processes adopted by boards established pursuant to Chapters 641, 641A, 641B, 641C, and 641D of NRS remain in effect and may be enforced by the Behavioral Health Board until the Behavioral Health Board adopts regulations to repeal or replace those regulations;
- h. Provide that contracts and agreements, disciplinary and administrative actions, and licenses issued by such boards remain in effect as if taken by the officer or entity to which the responsibility for the enforcement of such action has been transferred;
- i. Require DPBH to:
 - Develop a plan for transitioning from the existing licensing structure of the professions in Chapters 641, 641A, 641B, 641C, and 641D of NRS to the Behavioral Health Board, so licensees and the public can follow and participate in the transition

process. The plan must be presented at a meeting in compliance with the Open Meeting Law and adopted at a second meeting in compliance with the Open Meeting Law. 10. PRIORITY REVIEW OF HEALTH CARE LICENSE OR CERTIFICATE APPLICATIONS

Request the drafting of a legislative measure (BDR) to:

Require all entities that license or certify health care professions to develop a process to expedite the licensure or certification process by giving priority review status to the application of an applicant for a license or certificate who demonstrates that he or she intends to practice in an historically underserved community as defined in NRS 704.78343. An applicant shall provide proper documentation, including, without limitation, a letter from an employer located in a historically underserved community indicating that the applicant has accepted employment and stating the start date.

Recommendation proposed by Chair Doñate in consultation with Committee staff.

PROPOSALS RELATING TO CHILD WELFARE AND CHILDREN'S MENTAL HEALTH

11. CATEGORICAL GRANTS FOR ADOPTION ASSISTANCE PROGRAMS

Request the drafting of a legislative measure (BDR) to:

- a. Revise subsection 1 of NRS <u>432B.219</u> to stipulate that the amount allocated to a child welfare agency's adoption assistance program through a categorical grant shall also be determined based on the calculations prescribed under <u>42 U.S.C § 673(a)(8)(A)</u>. This *U.S. Code* requires the State to calculate certain savings—if any—to all applicable children for a fiscal year using a methodology specified by the U.S. Secretary of Health and Human Services or an alternate methodology proposed by the State and approved by the Secretary; and
- b. Revise subsection 4 of NRS <u>432B.219</u> to allow any savings from categorical grants that have been awarded to a child welfare agency's adoption assistance program to be carried forward with that agency for two fiscal years instead of only one fiscal year.

Recommendation proposed by Ashley Garza Kennedy, Principal Management Analyst, Government Affairs, Department of Administrative Services, Clark County.
