The Nevada Legislature mandated **Cultural Competency and Diversity, Equity and Inclusion Continuing Education Units (CEUs)**, in 2021. The number of CEUs required was increased to six (6) in the 2023 Legislative session.

The range of topics approved by the Legislature includes any of the following –

- Persons from various gender, racial and ethnic backgrounds;
- Persons from various religious backgrounds;
- Lesbian, gay, transgender and questioning persons;
- Children and senior citizens;
- Veterans;
- Persons with an intellectual disability, developmental disability or physical disability.

Please note that the list above was developed by the Legislature and not the Board. We are tasked with doing a 100% audit of these CEUs.
